

Frequently Asked Questions About End Times

1. How do I know these are the End Times?

Because if you read the Book of Apocalypse (Revelations), it describes the events that are taking place now.

2. Are any dates given?

Heaven rarely gives dates. Instead we are to watch the sequence of events.

3. Do we know when Our Lord's Second Coming will occur?

The "Second Coming" of Christ will occur 40 years after the Three Days of Darkness. As it happened in the past, it will happen again in the future. The Jews roamed the Earth for forty years. And the same thing will happen to us. We will have to wait for 40 years also. Heaven has said "for 40 years man will be purified through the Mercy of God, as all will survive only through complete faith in God!"

This needs to be clear. Scripture speaks of two "Second Comings" of Our Lord. One of them is His Restoration of the Earth united with Heaven. When this occurs, mankind will be a rose, pure in heart, soul, and mind. And with the union of Heaven and Earth, Christ shall rule in all things from the holy Jerusalem.

The final Coming when Christ returns to judge all souls is many, many years from now.

I am not saying that there are two Second Comings. I am only trying to help people to see once hidden truths (though stated in Scripture) that were hidden only from man's understanding.

It is also very important to explain that the first of the "supposed" two Comings is already in process for fulfillment. Its zenith of fulfillment will be only a few short years from now!

St. Francis explained how Our Lord promised him that the whole world must go through every one of the chastisements that the Israelites/Hebrews went through when fleeing Egypt. We also will have to go through all the plagues again, all the punishments and chastisements, including their exile.

In order to survive in this world, we will have to live only on faith. The Israelites had the manna and we have the Eucharist. Now, the communities

will survive because of the faith of the people. St. Francis was even promised that by the people's mere faith, stones and other things will turn into herbs and roots to feed them. All they had to do was just have faith.

For forty years. Now, this is forty years with no days nor nights. Forty years of seemingly endless time because time will stand still. This is where Heaven can honestly say, "the next day" because it is all the same one day.

An example of this is when Our Lady said in one apparition "...and after the Days of Darkness the world will be a waste land." But She says in another apparition "...after the three Days of Darkness, the next day, when the sun rises, all will be made new again." She is not contradicting Herself. Father Gobbi also says very much the same thing, referring to this transition that has to come.

After the 40 years, there is additional time to renew the face of the Earth. How much time? We only know that it is GOD'S TIME. Then the Last Judgement.

4. What will be the sequence of events?

I want to get far more detailed in the sequence of events. Generally, a sequence of events conveys to us that we should watch for the conclusion...not for the event itself. But I want you to be prepared and to study the events!

For instance, you are to be watching for the change of different Governments, currencies; you are to watch for different diplomatic actions and certain disasters through nature.

Okay, where are we right now in History? The event we, the American people, should be watching for will be a major earthquake which will occur in the central part of the U.S. (from the straight line that runs up and down in the middle and vertically across the country, west of the Missouri); this major earthquake will destroy a city by fire.

This will most likely be Kansas City. But, Heaven has never said which city it will be, so, it is not definite that it must be Kansas City. But the earthquake that will destroy the city will last most of a day. There will be constant earthquakes in that area, causing the church bells in the states near the gulf coast and all the way to Florida to ring from the shock waves.

This will also cause ruptures in the oil wells on land near the Gulf of Mexico and the Atlantic Ocean and also on the oil rigs out in those two bodies of water. This will occur right about the same time that Cuba will be given full

diplomatic relations with the United States. Overlapping this event, there will be a sinking of a major warship in the North Atlantic. It will be either an aircraft carrier or a full cruiser because Heaven said there will be several thousand deaths. Only those types of ships carry such a large number.

When that has happened, there is supposed to be right at the same time, a revolution, a civil war in Italy. This civil war will follow a war that has already started in Turkey, Greece, Yugoslavia, Slovakia, Austria, and all the different countries along the Baltic and even in Georgia. It also includes Lebanon, Israel, Syria and other countries. At this point in time, the only country that is not at war is Romania.

When this breaks out into continuous wars, Italy will be invaded in a matter of a few days.

The president of France will be assassinated and also the leader of Germany within two days.

** Note: 5 or 6 different mystics (who have support from their local bishops) in North America, Columbia, and Ecuador have received the same message.*

Now as I have stated previously, the red forces are those who are led by evil. They are all those who are against the Sacred Heart of Jesus and the Immaculate Heart of Mary, specifically Catholics and other Christians! The different Saints of history have identified these red forces to be predominately Muslim. This is not to condemn the Muslims. But it points out that the communist Muslims and also the communists themselves, who are Anti-God, are Anti-Christ, place themselves in that position of being the "red forces." This is also Socialism and Marxism; they are different tentacles of the same evil.

When those wars break out, when Italy is invaded by the red forces, that is when the Holy Father (Pope John Paul II) flees. Because the Vatican will also be invaded. When the Holy Father flees, we will be told that he is dead. So there will be no declaration that he has fled. This is where the people who are following the messages have to realize this is the time we follow from point to point what we have been told in faith, because the publicly released facts will all be erroneous.

When the Holy Father flees, he will go through Belgium, France, and into Canada. From Canada he will bi-locate into other countries. He will mostly stay in exile in a remote part of Canada. His stay will be in a part of Canada that will be "passed over" during the invasion of Canada and the United States.

The United States will be invaded about nine weeks after the Holy Father has been declared dead. The U.S. will be invaded and occupied for a period of six to seven months. It will not exceed 7 months. At the end of this 6 - 7 month time period is when the Great Warning comes. (The Warning is used by God, to stop a Third World War.) The United States will have over a third of the country side occupied by a foreign force (and as many as a third of the population dead). The foreign force will actually be NATO. It will be NATO and the United Nations. The U.N. will invade the United States! As peacekeepers!

They will invade us, just as we have invaded other countries, including the former Yugoslavian nations. We have gone in there as a peace keeping force to make them and their own countries stop fighting. We went in there with our blue helmets and blue berets and everybody backed off. We went there to liberate that country from it's own occupation. This is exactly the same way that they will invade the United States. At the time of the invasion, the U.S. will be having racial wars. Obviously this will be an excellent opportunity for the foreign invasion to take place. In 1997, Our Lady allowed me to see a vision. I saw military aircraft (belonging to other governments) flying over different countries in populated areas. Canada, The United States, Mexico, Europe, and many nations of Africa. They were spraying fumes into the air. Our Lord told me that this is an attempt to decrease the number of the population. These are chemical warfare gases that will kill thousands of people, thousands upon thousands of people and yet some people wonder why we are being told to store water and food, to stay in our homes, and to use sacramentals.

The United Nations will be a united communist force, stating that they have come into the U.S. to liberate the Americans from an occupying force. This is their plan.

When the United States is invaded, almost every country will be at war. The United States will already have been involved in three foreign wars when we are invaded. So, that is a clue. We are already involved in two wars, one in the former Yugoslavian area (Bosnia, etc.) and in the Iran, Iraq area. Those are two wars we are involved in right now. Now all we have to get involved in is a third war. Then we will know that part is completed.

We already know that Heaven has warned us that the United States must give "political recognition in hypocrisy to three nations" that it would not recognize otherwise. Those three nations are China, Vietnam, and Cuba. They are communist nations that are all against the U.S.A. and what our society is supposed to stand for. Even the U.S.A. will give them recognition and preference over other countries.

We are having trouble with China right now with stolen American technology,

like computer chips and so forth. Yet the United States still gives them full priority in their dealings and trade with the United States. This is ludicrous.

When the Warning comes, it will stop all the wars. I will go into detail about the Warning later. But for now, know that the Warning will stop all the fighting. Scripture refers to the "turning swords into plowshares." Mankind will put down its guns and immediately and impulsively begin to rebuild. They will leave the cities by the millions and go into the countryside and build hamlets upon hamlets. The only thing is that until they have the wisdom that is given to them at the time of the Great Miracle at the Second Pentecost, they will not completely understand all truths and Christ's Teachings.

The Anti-Christ will proclaim worldwide that he brought all these things onto the world to lead the world to him. He will instruct all leaders of the world to gather together. When the leaders of the world do gather together at the United Nations, the Anti-Christ will not show up and none of his leaders will show up either. And this is the warning that Heaven gave about the United Nations building and parts of New York being destroyed.

5. What city is the city of Babylon the Bible refers to?

It is New York, as it is the banking center. But so are Paris, Tokyo, Hong Kong, London, and several other major cities. This is because they also are cities of sin and pagan life.

In a public message, Our Lord said, "Your city, New York, shall be set in reserve for a punishment far greater than shall be given to any city upon your Earth.

Much of your money from the world's capitols arrives in New York. These moneys are being gathered to start another war. There is a group in your nation called the 'Illuminati.' They are made up of the major money holders, and for money, they have sold their souls and the souls of thousands."

In another message, Our Lady has said, "I have come to what I believe, My children, to be an oasis in a barren land, to this seat of evil...your city of Babylon. But, My children, I know within this city of evil, there are many who can rise above and reach out and save their brothers.

6. & 7. What is "The Rapture?" Where are the raptured children?

The Rapture has been occurring for years. Innocent children have been taken up body and soul, and await the finality of the greatest chastisement known to all of mankind. This is the "Rapture". The Rapture will overlap the reign of the Anti-Christ so that God's Mercy will prevent the Anti-Christ and his cohorts from using these beautiful souls for his own diabolical use.

They will then return for the Reign of Peace (after the 40 years), incredibly pure of heart and soul, to be with the remnant church - the faithful who have survived. Our Lord Jesus Christ has shown me many children in Paradise. There are thousands of children already there. Their physical, spiritual, and mental conditions continue to grow and develop in holiness. He has also shown me many adults there. Most of them are women who are with the children. Those people in communities before the last events occur will also be in a "state of Rapture", but they will not leave the Earth.

8. Protestants and the Rapture?

Non-Catholics presume a lot and in error. 1 Thess.4:17 says "Then we who live, who survive, shall be caught up together with them in clouds to meet the Lord in the air." The Protestants believe that Jesus' Second Coming will take place before the chastisements. The so called "SECOND COMING OF CHRIST" will NOT occur until 40 years AFTER the Days of Darkness.

Our Lord will not come down to a people that will forsake Him, to NON-CATHOLICS who do not recognize His full teachings.

"All will be forsaken and The Righteous will be delivered up into Heaven." The Protestants believe that ANYONE who believes in Jesus Christ is righteous. This is so untrue. Heaven says, "The righteous are the pure, the sinless, the innocent." Besides children, infants, and mentally handicapped people, how many people do you know who fit this description?

The Catholic Church is vague on the Rapture. They simply say that it is "a State of Preservation by God." And that is the essence of Heaven's use of this word.

9. What are the 3 Days of Darkness?

The 3 Days of Darkness (which actually will be 6 days) is going to be the worst chastisement you can ever imagine. First, there will be three (3) days of natural darkness. This is a warning to the world and will give the faithful time to seek shelter and refuge.

Then there will still be another Three Days of Darkness which is the supernatural darkness. This darkness is not only physically dark and cold but spiritually dark and cold. A pure diabolical possession of the whole world. Evil is darkness and in the same way it can possess a person, it will possess the whole world, seeking to destroy life.

The number 666 is the identification of the man of perdition. This number is not a tattoo or birth mark. Rather it is a symbol that sets him apart from all

other humans. This also identifies what he will do. For example: the six great devils will ravage the Earth for 6 days; the same 6 devils are then cast into hell.

Another example is how evil operates and maneuvers within society, such as: the barcode is divided into three sets of 6 digits. The barcode I refer to is the one that many governments are using for identifying government personnel and some of the civil population.

10. What are the 3 Warnings?

The First Warning: is people turning against people. Racial wars, revolutions. Then nations against nations. This will not be a world war, but it will be "the WORLD IN WAR," like 30 different countries fighting each other at the same time. This is occurring even now and will overlap the other warnings. Most people will not recognize the first warning until the war is in their own back yard.

The Second Warning: consists of all things in nature being dramatically altered as if in pain. These are unusual effects like droughts, floods, volcanoes, tornadoes, hurricanes, earthquakes, etc. that bring people to their knees, recognizing God, Who is All Powerful. This is also occurring now and will overlap the other Warnings in the future which will be more and more dramatic.

The Third Warning: is the Interior and Spiritual Warning.

The Freeze is not a warning.

It is, in part, a punishment and an Act of Mercy of God. Mercy because the aged, the poor, the homeless, and the young are the majority of the people who will die. Only the strong will survive this.

*NEW: Because of our prayers and the elections and political changes that have taken place, i.e.: the resignation of Gorbachov, the fall of the Communist Party, and the combination of other political events, the Freeze has been postponed until right before the Three Days of Darkness. The Freeze is nuclear.

11. Details on the Interior Warning.

I want people to understand that Heaven is giving the Warning.

Three days prior to the Warning, unheard of signs will be seen in nature. These signs will be aglow with a strange color in the skies similar to a collection of colors much like the Northern lights which will be displaced all

over the world.

One day before the Warning, natural sounds made by animals will not be heard. They will become silent.

At 8:00 a.m. in Israel, a strange, red shadow will follow the rising sun.

Moments before the Warning, EVERYONE will see his own GuardianAngel. Thus we will have spiritual comfort in knowing that we will not be alone during this sacred ordeal.

This event will travel the world, coming from the east, one time zone at a time. Heaven says that it will take time for this to happen to everyone. (Actually 24 hours from beginning to completion.) Yet the time that will pass during each episode will only be for a few moments in actual time.

The whole world will see it coming for several hours and will be televising it before and after, because within that time zone for the hour, nothing mechanical or electrical will work. Planes flying in the air, pacemakers, iron lungs, and other machines that would normally result in a loss of life if stopped, will cease to function, but no harm will come to any of these people, or to you, if you are exposed to these vital situations.

No person will die or get hurt as a direct result from the Warning! This is part of the sign given in the Warning that God is supernatural, and has complete Divine Power over everything. The Warning will take an hour per time zone, and thus will aid many to have a true contrition for their sins against God and mankind. Each person will see his own soul as God sees his soul, and the person will realize and understand the state of his soul as if he died at that moment, AND his possible destination, which is Heaven, Hell, or Purgatory.

Each person will experience the Interior Warning sent by God. It will be only about 3 seconds for each person. And again, it seems like years! But this is a reality, also. In other words, I am not speaking figuratively, saying, it will SEEM like years. I am saying, literally, your experience in Heaven, Hell, or Purgatory WILL BE in years! God has allowed a number of the saints in history, and mystics today, to have experienced the Warning.

Again, I repeat, no one will die because of the Warning. Nevertheless, there will be millions who will despair afterwards and will commit suicide. The reason people will commit suicide is because they will consider everything as hopeless. These are people who have experienced Hell because of the great sins upon their souls. Although there will be many who experience Hell in the Warning, the vast majority will repent. Millions will not. The number will be so great that bodies will be stacked as high as houses for cremation.

The Warning does not include an asteroid, comet, or other external forces.

None of those things has anything to do with the Warning.

There is no need to seek shelter or find a place in which to hide. But, having confessed your sins and been absolved, the place of greatest consolation will be in front of the Holy Eucharist.

At the end of the Warning, the Catholic Church is revealed as the TRUE church of Jesus Christ because withing only a few weeks, all of mankind will receive the Gospels (Good News) of Christ Jesus. Everyone will know this and there will be mass conversions. And in this way, all will be judged equally. No one can say that they didn't know the Truth!

After the Warning, God will raise the 144,000 to evangelize all of mankind. These will be people who will be purified so greatly during the Warnings that they will be in a pre-to-natural state. Most Saints desired to live and see what you will see and live through. Your challenge was their ideal challenge. But, God elected every single one of you, so, abandon your will to God's Divine Will and accept!

12. What causes the pope to flee from Rome?

There will be a revolution in Italy. Heaven refers to this as the red forces marching into Italy. (Everyone thought this to mean the communist forces or Chinese forces. However, this really means anyone who follows the devil.)

The members of the Anti-pope will try to assassinate the true pope using the revolution as an avenue to achieve it. The pope will be wounded, escape, and stay in exile for six months. During the exile, he will witness the Warning. He will bi-locate to many places in many countries to encourage the faithful.

The members of the Anti-Church will announce that the pope is dead, even though they will know that he will have escaped. They will re-elect a new pope by absentee vote - a false pope. The announcement of the pope's death will ignite great divisions across the globe. Soon after that, all of Europe and the rest of the world will be in war.

13. What does the pope reveal, causing the Great Schism?

Pope John Paul II will reveal the Communion of Saints as the physical Mystical Body. And he will reveal it as being the Kingdom of God in Heaven and on Earth.

Before doing that, His Holiness will have already revealed that Our Lady is Co-Redemptrix and Mediatrix of All Graces.

As far as revealing Our Lady as Co-Redemptrix and Mediatrix of All Graces,

the only thing that he has not done yet is having the paperwork issued on it. Other than that, he has already done it by word and deed. He has done it by all of his talks, announcing and saying that salvation is from God through Mary.

He has done it also by announcing and recognizing the Medallion (Our Lady Co- Redemptrix and Mediatrix of All Graces Medallion, AKA Medallion of Redemption) and he recognized the Medallion publicly and said in several of his talks that we cannot forget that salvation comes from God through Mary. So he took the description of the Medallion and incorporated it into his talks. That means, we must remember, that through Mary comes Salvation. That is the Act Our Lady has already initiated into the world by bringing in the Medallion.

Now that the Holy Father has recognized and blessed this Medallion, it has been received by bishops, clergy, and the laity; it has been requested by many people around the world, and miracles are being performed. This all establishes the credibility that Our Lady is the true Co-Redemptrix and Mediatrix of all Graces. So this is what he has done. The Holy Father just has not made his declaration official or issued the paperwork yet.

But, this is not all that he will reveal. He must go to the final depth of it. The final depth is that the Second coming of Christ has already come! It is HIS EUCHARIST! Not the Last Judgement.

And the Eucharist is this, The Mystical Body. And when Christ said that "I will dwell in you and you will dwell in Me," this is the Eucharist. This is also where Our Lady explains in Fatima to Lucy and Jacinta when She opened Her Hands and the Light came out of Her hands. Lucy, Jacinta, and Francisco stated that they saw God. They saw God in the Light; but they saw God was that Light. The Light was a Fire; the Fire consumed them and they were in God, in the Blessed Virgin Mary.

Now, Our Lord told the Apostles that when He returns, He will come with a great Fire, a Consuming Fire to purify all souls and it's a Fire of Love. He also told them that none of them would taste death or see death before seeing Him return in His Glory of His Kingdom. Jesus said, "Some of you here have already seen Me in My Glory," because Our Lord showed three in the "Transfiguration." In the "Transfiguration," they saw the Mystical Body of Christ already existing, but they did not see It Glorified yet, because Christ had not been resurrected from the dead.

So, this is where the pope will say that the Second Coming of Christ has already occurred and that It is the Eucharist!

His Holiness Pope John Paul II will explain how as St. Paul wrote "we are all united as one in the one bread and the one cup."

As he also states in 1 Corinthians 10.16-17, "The chalice of benediction, which we bless, is it not the communion of the blood of Christ? And the bread, which we break, is it not the partaking of the body of the Lord? For we, being many, are one bread, one body, all that partake of one bread." Another related quote is in 2 Corinthians 2-4.

Then comes the information that will divide every one into two groups. His Holiness will refer that "by the presence of the Holy Eucharist, a part of the return of Christ is completed!"

The reason why that is going to be rejected is because many of the Modern Catholics believe this will be the stumbling block for world Ecumenism (ecumenism is the principal or practice of promoting cooperation or better understanding among differing religious faiths). They do not understand that the Holy Eucharist is the greatest ability to bring in the conversion of all nations. They don't understand it.

Note: This revelation is awesomely beautiful and yet sorrowful at the same time. it reflects all the Mysteries of The Rosary: the Joyful, Sorrowful, and Glorious Mysteries.

This revealing of the Second Coming of Christ is Joyful, because Our Lord has come and is hidden to the world except to a chosen few. "I praise Thee, Father, Lord of Heaven and Earth, that Thou didst hide these things from the wise and prudent, and didst reveal them to little ones."

Whereas it is Sorrowful because the non-Catholics who will not understand "Hearing, you will hear, but not understand; and seeing, you will see, but not perceive" because "It will be the Rise and Fall of Many in Israel (Rome)" as "Elias indeed has come already, and they did not know him, but did to him whatever they wished."

It is Glorious because "Take and eat; This is My Body. All of you drink of This. For This is My Blood of the New Covenant...But I say to you, I will not drink henceforth of this fruit of the vine, until that day when I shall drink it new with you in the Kingdom of My Father."

God's Kingdom is present on the Earth because of the Eucharist Itself.

I would like to make this clear. The so-called "Second Coming of Christ" is inevitably the Final Judgment. In other words, the 40 years after the Days of Darkness. There will be a time lapse of several thousand years and then it will lead into the Final Judgement.

I would like to explain something else. Do you remember that Scripture refers to how the world must be made new? Heaven will be united with Earth as

one. Then, after that, the separated Heavens and Earth are done away with and all is made new by a combined Heaven and Earth.

Where will we be then? At that time, Heaven will have been united with Earth. Heaven and the Earth will no longer be separated; they will have been united because of Our Lady.

She was physically assumed into Heaven and She is now the Third Heaven, the Dwelling Place of God, the Dwelling Place of the Mystical Body of Christ. All who are in Christ must be in Her. She being that Tabernacle of Gold, that Tabernacle of Faith, and the Tabernacle of God, all must dwell in Her and that unites all of Earth with God in His Creation. So Heaven and Earth are united. After the Days of Darkness and the 40 years (one day which lasts 40 years), the Earth will be renewed.

14. Will the pope be Martyred?

The Holy Father knows that he must be martyred. His death will occur just before the Great Miracle. He also knows that he is going to see the New Era.

The Holy Father will use his death as a transition in time, a transition of events and circumstances, going from this time to the final era. He is not using it as an end, but he is referring to it as a transition of time.

15. Are clergy holding back information about the end times?

There is no separation from the clergy and lay people. Heaven is revealing everything worldwide. Some Bishops, priests, nuns, and even the Holy Father, the Vicar of Christ, are visionaries, mystics, or prophets. Heaven says, "By your silence is confirmation."

Remember this as it pertains very much to the Holy Father.

However, there are clergy visionaries who do not reveal certain secrets. For example, Pope John Paul II will not reveal the "Third Secret," not that this was revealed personally to him by Heaven, but by position as the pope.

But why doesn't he reveal this? Because it is irrelevant. In our terms, we can say that this was Plan A in Heaven's plan to awaken mankind. But because of man's disobedience once again, Heaven has Plan B and that is the apparitions in vast numbers throughout the world.

To know the Third Secret today would only cause turmoil and a violent schism, which the Church doesn't need at this time (and the pope has very little time), since he is trying to reunite the Orthodox and Roman Catholic

Church. This secret would further wound a very atrophied Roman Catholic Empire.

16. When will the Orthodox and Roman Catholic Churches Unite?

Our Lord Jesus Christ told Father Gobbi, "If man does not unite these two Churches in the time given, then I will." Several western mystics, including me, met with several Orthodox visionaries (most of their mystics are clergymen) in Russia. We discussed unity between the two Churches. Over thirty Orthodox bishops were willing to reunite with Rome. But our cardinals and bishops refused this offer for unity because of political reasons. Our cardinals and bishops are fearful of this unity, as the Orthodox bishops and their people are very enthusiastic about keeping God's Laws, many times to the letter.

You have to understand Satan opposes this greatly. If these two megalith Governments emerge (and these are God's Governments; we are it's citizens), the power in prayer would be so great, through the Sacred Heart of Jesus and the Immaculate Heart of Mary, it would defeat the Devil very quickly. And how that would happen is by the vast number of people who would convert because of such unity.

17. Are we presently the Remnant Church?

The Remnant Church WILL NOT EXIST until after the Three Days of Darkness, although the foundation of Christ's Church is guarded by those who are responding to the graces of Heaven by the signs of these times.

We now are the Church Persecuted. The Church has followed Our Lord's Life throughout the centuries. It is now being persecuted and soon will be CRUCIFIED.

Then it will be buried and believed to be dead by Satan (as Our Lord was buried and believed to be dead by Satan). The faithful will be in the tomb for Three Days (Three Days of Darkness) and then the remaining Church or remnant Church will be RESURRECTED on the third day.

Remember, Satan will believe that he will have destroyed the whole Church. At that point, he will know that he has lost the Battle of Armageddon and by destroying the whole world, he will be the ultimate victor.

All the while, Satan will deceive himself with his own lies by believing that he is the victor. And since he does not possess Divine Wisdom, he then will be blinded by the Throne Angels and will not be able to see the Remnant Church hidden away.

18. What is the Tribulation?

The Tribulation, prophesized by Scripture and Heaven, is the time period during the rule of the Anti-Christ. Everything until then are minor chastisements to awaken men to return to the Will of God.

19. What is the Second Pentecost?

The Second Pentecost is actually what has been referred to as the Great Miracle. One of the best descriptions of the Second Pentecost was given at Garabandal when Our Lady stated that a pillar of fire would appear there at the pines where She was appearing. The pillar of fire would also appear at every true apparition of the world and before every true Tabernacle that has the True Presence in It. Because there are many Tabernacles in the world today and even into that time will not have the True Presence.

This will be the fight of contradiction of what the Anti-Christ is doing and what the Anti-pope is doing. This second Pentecost will be the gift of giving complete Wisdom to mankind as the Apostles received at the First Pentecost. The great apostasy or the final denial cannot come until mankind has complete knowledge.

20. But we still have a little bit more time yet, don't we?

Yes, but I try not to stress it too much. You could say, "The greatest foolishness a person can exercise at this point is to say, 'Look how much time we have,' when actually he should be saying 'look how much time we don't have.'"

21. Will all the martyred be present with their glorified bodies in the new Era?

They will reside in their glorified bodies in the new Era (of Peace) in the Holy City (the New Jerusalem) because the Holy City will be where Heaven will be united to the earth.

22. Will wars continue for a brief time after the chastisement?

No. When you say chastisements, I presume you are talking about after the Warning comes. When the Warning comes, all wars stop. The only other conflict will be the fight against the Anti-Christ, the Matrieya, and those of the faithful will go into hiding to escape his wrath!

23. When is the period of peace?

The twenty five years of peace has come and gone.

24. Who will evangelize?

During the Great Miracle, all peoples will be given the gift of complete wisdom. However, 144,000 chosen people by God, will have been transformed into a Preternatural state. They will actually have the physical ability that Adam and Eve had before they sinned. They will not be restricted by physical space. They will be like the Saints in history who were able to bi-locate, walk through solid objects, and could not be killed. They would be what we would call, supernatural, but actually "pre-natural." That is, "pre to our condition" now.

25. Who is the Anti-Christ?

Matreiya is the Anti-Christ. He appears under three different nationalities: Aramaic, very Spanish, and Norwegian, Anglo Saxon.

Right now he is mostly in the Middle East, the Baltic, Eastern Mediterranean area because he is the one who has been mediating everything that NATO has been doing between all the different countries of the Eastern Mediterranean. He is the one who starts all this trouble and then comes to say, "Here, let me solve all your problems."

We don't hear about him as much now, because Benjamin Creme has not been putting as much into the newspapers as he was about 5 to 7 years ago. No one hears about him.

The Anti-Christ won't start his reign until after the Great Miracle. So everything he is doing now is only for his preparation.

26. When exactly will the Anti-Christ die?

The Anti-Christ himself, as a person, is killed a few weeks before the final days of darkness. And then he, as the devil only, not as the person, will go with the other devils to ravish the Earth.

He does this because, as I said before, his attitude is this: if he cannot win and he cannot possess, then no one can. He is not insane, but he has the characteristics of an insane person, a person with no conscience.

27. Who is the Anti-pope?

All that Our Lady has said at many apparitions around the world about the Anti-pope is that "he will rule, he will control, and he will be the person in the power, whether he has a puppet or not in front of him." Right now, Heaven has already said that he is a retired cardinal. But that is irrelevant. That man could very well just be someone who is preparing the foundation for another who will take his place at a later date. So, who he is is irrelevant.

28. Who is the Great Monarch?

The Great Monarch is an individual who has been called the "Great Restorer." He is already in control of a very large underground government and militia in France. He is already known amongst his own organizations, but Heaven has never released his name and has kept his identity extremely confidential. I have met him only once. And another time I saw him at a distance when I gave a conference in France.

29. Who are Elias and Enoch?

The Elias and Enoch from the Old Testament in the Bible. Elias and Enoch are on Earth now. But they are in the same equivalent condition that the Matriya is in now. Elias and Enoch are not engaged in their public life/mission.

Elias and Enoch are only traveling the world and confronting the psychics and the different witches and warlocks. We do know that in that time, there will be a great number of wizards.

The wizards are the psychics of this time. They are the magicians, the famous magicians we see on television who have gained a great power. Elias and Enoch are also confronting these different wicca groups and different white witchery groups, saying to them, "You think you have power and you think that your power is good? We will show you power," challenging them in what they are doing to get them to choose between good and evil.

Elias and Enoch are not destroying; they are not rebuilding. Nor are they starting a following. They are walking from place to place, going to homes where Heaven directs them. They ask to be accepted in the Name of Our Lord and Our Lady and will cover thoroughly that area, confronting the witches, the warlocks, and the psychics. This is to let them know that what they are saying and what they are doing is not from God; rather, it is all from evil only!

30. What is the Third Secret of Fatima?

The Third Secret is composed of several messages hidden within a few short statements. It is the hidden meaning that God gave the grace for the pope to understand in a way that no others could. This in turn has caused a great deal of trouble when others besides the pope would be allowed to read the messages.

For His Holiness to release the message now at such a late date would only cause greater harm than good! In turn, Our Blessed Mother has been giving little parts of it in Her Messages around the world.

Our Holy Mother has been trying to warn the Church and the world about the evils that are progressing to enslave mankind. She has also revealed how many changes that were going to come into the Church were not from God, that there were going to be individuals within the Church who were agents of Satan, and that God was going to chastise the world if there was not a drastic change in hearts and return to God. Also, the Anti-Christ would come into the world before the end of this century. She described a great apostasy and departure of many, many souls from the Church.

Putting all of this aside, there is an underlying message that was for His Holiness to understand and reveal to the Church in an effort to deter the Church from entering a time of great sorrow!

31. What can I do to prepare?

There are two types of preparation. SPIRITUAL and PHYSICAL.

Let's begin with Spiritual Preparation. First, seek to know and obey The Divine Will of God! Love your neighbor as yourself. Love is the answer. God is Purity, Joy, Happiness, Charity (Love). Hate is rebelliousness, jealousy, laziness, and all other vices. These are all from the devil.

You should have a good prayer life. Start with 30 minutes, then 60 minutes and build up to 2 hours. Many Saints woke up at 5 in the morning, prayed, went to Mass and then started their day at 8:00 a.m. So, if you want to imitate them, go to bed early. Try to get to sleep by around 8 p.m.

32. Is the bar-code something to be concerned about and will it be world-wide?

The bar-code is already being used in governments to mark people. We are already marking our active duty military personnel and prisoners with it.

In our own country, the U.S.A., measures have been taken and are already in place to mark every citizen at the turn of the century. Our military is using electronic implants for many of its personnel, while all of the others have ID cards that consist of the photograph, magnetic strip, and DNA breakdown of

the individual person. The bar-code will have the whole genetic structure of the person.

All of this is not a joke! The international marking of all people is extremely close. Much closer than many people would want to even think!

The actual so-called marking of people is first spiritual. The bar-code is an outward sign of saying the people are being marked. It does not necessarily have to occur world-wide, but it is part of Matreiya's (the Anti-Christ's) plan, that all people must be marked.

This in turn will be part of the fighting from those who will not accept it; they will have to go into hiding and will be hunted down like criminals!

33. Will you lose your soul if you accept the bar-code?

This is where Heaven says that those who knowingly receive the mark of the beast and are aware of the implications (those who know what they are doing) will be condemned because they will have no excuse.

34. Do I need sacramentals or remedies?

a) Here is a subject that is hard for many people to understand. In the Old Testament, Moses told the people to put the blood of a lamb upon their door posts. By doing that, the angel of death would pass them by. Those who obeyed were spared. Many others perished for their lack of faith.

Christ is the Lamb of God and it is His image Heaven has said to put upon your doors as an act of faith.

Just as Moses instructed the people to make images of snakes and put them on a pole so that those who would look upon it, as an act of faith, would be healed of their "snake bites."

God uses many natural things to represent supernatural things. And as God is God, and we are not, everyone is compelled to accept that we do not always understand the Divine Wisdom of God - because of sin in our lives and in the world. Many things are kept hidden from mankind, only that He may reveal, or give, these things at another time, as is pleasing to God's Will.

b) From the earliest of time, the Church has used sacramentals as a sign of faith. Sometimes these images were used as sign used in secret so that they could communicate without persecution.

In time, the Church recognized that it was pleasing to God for certain symbols to be propagated among the people. This became known through

the many, many miracles that occurred as a result of faith of the people with the use of a particular sacramental.

Christ is the Divine Physician. As such, He is a good and kind Physician Who knows how to give crutches for souls to lean upon as they grow stronger in faith and virtue. There are also the times when God wants mankind to use certain images that will encourage people to have stronger faith and to understand the Faith more clearly.

The Crucifix, the Saint Benedict Medal combined with the Crucifix, and the brown scapular are some of the most important of the sacramentals.

c) Because of the importance of these times, Heaven has given still another symbol, sacramental, of our faith to aid us in understanding God's great Love for us.

I am referring to the Medallion of Our Lady, Co-Redemptrix. This is another example of how Heaven responds to defending us during this time of increased evil in the world.

No one should ever forget their rosary, one of the greatest consolations that we have. While so many of us delay or even refuse to confess their sins, we should do penance, and with the help of God's grace, never commit them again. The reason I place this statement now in the middle of talking about sacramentals is: we are so concerned with feeding our bodies, to bathe regularly, and try to provide not only for what we need corporally at this time, but, to prepare for a future. Although so many (if not most people) give no concern for their spiritual needs. so few labor to keep the souls, hearts, and minds clean, free from sins.

d) The ignorance displayed by some people when it comes to sacramentals is astounding to say the least. Compounding prejudices, egos, and just plain hardheadedness inherited from those before them prevents a great multitude from participating in a great wealth of graces.

The many times history has proven the validity behind sacraments are still being denied with spite and even hatred.

35. When do we go into Catholic Communities?

It would be best to get into Catholic communities before the Warning. (Catholics include the Roman Catholics, the Byzantine, the Orthodox, and other Catholic Rites that have the four marks of being "One, Holy, Catholic, and Apostolic.")

These communities NEED a PRIEST for the Holy Sacraments and for

spiritual leadership, to help them to work together in harmony.

It is the Religious and consecrated communities that will have the preserved Divine Presence when the beginning of the rule of the Anti-Christ comes.

When the Anti-prophet (false pope) begins to rule, the first Thing that will be taken from most of the world is the Divine Presence. Only the communities that are consecrated will be hidden. They will have the Divine Presence. The Devil will be able to find everything else.

Heaven has even said that It will give the Grace for many people who have had these houses of prayers (like Saint Charbel, cenacles, etc.) to be able to live into the new Era. Heaven will give them the grace to do it. But, that grace also means that they will have the knowledge to know that they will need to leave their homes and go to a community. But not all will do it. There will be instances like that of Hiroshima and Nagasaki. (Just before the bombs were dropped, some people were instructed by Heaven to go to a certain place where they were to pray, nonstop, until they were told to stop. Some people obeyed. They survived even though everyone around them was killed.)

Heaven is calling people to come together in communities for numerous reasons.

By mere practicality, we can reason that a group of people can work together, pray together, and remain stronger than if we remained separated and on our own. Where one member is weak, there are others who are strong.

As the early Christians lived in common from the very beginning, sharing according to the individual need of the person or family, this is the way God desires for us to live, sharing and working together with our neighbors' needs as our greatest concerns. This kind of life will take away our thinking that "self" should always come first and foremost!

Those who delay in starting or joining an existing community are being very foolish. This is most serious as it concerns those who have been given the grace to come to one of the communities or refuges as some people call them.

36. What revelations were made to George Washington?

a) The Blessed Mother, with the seven Archangels, appeared to George Washington at Valley Forge.

Saint Michael revealed to him the whole future of this new nation he was fighting to free, as a nation under God.

Our first president was a very pious man who was not ashamed to pray for God's guidance. Then, when Saint Michael instructed him, "Son of the Republic," as Saint Michael called him, he believed, recorded the things revealed to him, as well as shared them with those whom he trusted.

This experience that George Washington recorded is kept in the Library of Congress.

Saint Michael revealed the wars that the U.S.A. would be involved in, with all its horrors. He was told and saw the growth of our nation and how we would fail to keep ourselves as a nation under God.

George Washington wrote how in our century we would be invaded for about six months, being liberated only after the people returned to God. About one third of the physical land mass of our country would be occupied and about one third of the population would die.

b) George Washington knew all of this was to come to pass around the turn of this century. He described a liberation that he saw, only after God intervened to stop all wars lest mankind destroy itself.

Could that not be the predicted warning?

True as it is, this is information never referred to in history books

Heaven is also saying that these events will occur as a punishment for the mass abortions of innocent babies.

37. Who will take care of the children?

Our Lady knows that almost a million children who are in rapture must be brought back. To show Our Lady's true Maternal ability and Her true nature in being the Mother of all souls, God will transform some special women giving them this same maternal nature as Our Lady's nature. The children will be given to these chosen women and will become their natural children, by an act of God.

The only way to compare them is this. Say that in each nation, these women will be revered like princesses as Our Lady is considered the Queen. To have these women in your nation will be an honor. The apostle who is the head of the nation has the responsibility for providing for the care of that mother and all of her children. But it really becomes the responsibility of that whole nation.

38. Will we be an agricultural society after the Three Days of Darkness?

We will retain the technology that is retained in the communities; otherwise, we will return to an agricultural society. Not back to the turn of the century, although it will seem like that in most cases. In part because so few of the communities are doing what they need to do to currently store up on metal, machinery parts, "how to" literature, etc. to keep themselves going. Unfortunately, those in communities seem to have this blind thinking that everything else will miraculously be perpetuated. But it is not true. The only thing that will be miraculously perpetuated is food, in response to the degree of the people's faith in Heaven to provide.

39. When the economy collapses, will we lose our homes?

When all the world wars come, money will only be a token. Basically it will be a worldwide collapse and the government can't foreclose on all homes, businesses, and so on. So everything turns into a martial law state. That's the way it will have to be to maintain order.

But once the Warning comes, money will become nothing. Everyone will barter, swap, trade, give, and share.

It isn't until the time of the Anti-Christ which is AFTER THE GREAT MIRACLE that the re-establishment of governments on the national level will return. During that temporary time, so many months after the Warning, monarchies will be established all over the Earth, there will be no democracies. Monarchies will have small democracies within them.

The U.S. will be run by a prince.

This is what George Washington was trying to explain without ever saying, because he, not being a Catholic, and he, being a country club mason, knew the danger of trying to express how our country one day was going to be led by a Catholic Cardinal. And he was not able to bring himself publicly to state it, though he did write it in his memoirs. This is one reason why they wanted to make George Washington king.

40. Will all sins be known to others at the Last Judgement?

Yes, all will be known by everyone and everyone will know each other's sins. That is the great humiliation, the fact that everyone knows everyone else's sins.

41. May God bless everyone!
